Raulston Winning Renown.

Hon. John T. Raulston, republican candidate for Congress from the Third Tennessee district, addressed the people of Sweetwater at the Opera House last Monday evening. Mr. Raulston was introduced by Prof. John A. Cathcart and spoke for an hour and a half to an appreciative and attentive audience. He made a splendid argument from a republican standpoint. He discussed the tariff, the money question, the trust, and the other questions now being agitated by the American peopie. He criticised Judge Moon's recorl in Congress and gave many reasons why, in his opinion, he should be sent to Congress instead of his opponent. His plea for the election of Hon. George N. Tillman was earnest and effective and his eulogy of Judge Taft was splendid. -Sweetwater Telephone.
